With the name of this game it is clear that the game is related to tennis totally. Sega is launching more games like this but this is probably the best if you are a fan of tennis.

You can select from a range of tennis players to choose from and the game can be run in single and multiplayer mode. The game has released recently in March 2008. The front page of the game can be seen on this link of Sega Superstar Tennis.

The game can be played on Xbox and 360 and Playstation 3. The game can be played under online mode on both the platforms.

When you are looking for discount and special offers, then you should checkout the link given below to get your Sega Superstars Tennis.

Currently its price is high, but with some discount offers on the internet, you can easily purchase them.
