Opoona, the descendant of the Cosmo Guards, who was separated from his family in the planet Landroll finds himself injured in a hospital. He do not remember how he ended up wounded in the hospital. So, in the game you will play as Opoona . You will try to earn a license in order to travel to other places and discover what happened to your family.

The challenge of the game is acquiring licenses from different jobs like as a detective, rescuer, etch. As a player, you will have the option to choose what you would like to portray. Opoona is played one handed using Nintendo Wii's Nunchuk.
